Prez Says

GREETINGS: Hope everyone is well! September and the fall are upon us. This is a beautiful time of the year and a great time to do some flying. There are 4 remaining scheduled club events: Float flies on Sept. 6 and Oct.4; the Flea Market on October 19 and the banquet on November 8. This is also the time for you to think and reflect about giving some of your time back to the club as we will be having elections shortly.

The August 24th picnic was a resounding success with beautiful weather. Thanks to Pat Stefano who helped with the food and a special thanks to Jeff Hails who coordinated and organized all the food, grills, etc. Also, thanks to Chuck Zera for organizing and running the flying event and finally thanks to all of you who came, helped and participated in the event.

We will need to have several volunteers for the flea market and set-up and take down. Also, we need to discuss the continuation of the trophies. All this and more at the meeting on Friday, Sept. 12. Don't forget that the meeting will be held at Saint Paul's at 7:30. Thank You! Rene

PLEASE NOTE: Before, during the break and after the meeting we will have some of Dave Kelley's equipment for sale. The following items will be for sale: 1) Aerophibian .40 float plane (wheels included) with all servos, battery and receiver, no engine; 2) Tiger Moth - .60 size biplane with all servos, battery and receiver, no engine; 3) 2 Top Flite P-39's in various stages of construction with retracts on one of them, no engine; 4) Great Planes ARF Stuka, no engine and no electronics. The following three engines will be for sale: 1) OS .91 Surpass; 2) OS .70 Surpass; 3) Super Tigre .75. The above items will have prices placed on them.

All of Dave's hobby and building equipment will be for sale. Since this amounts to a lot of stuff, no prices will be given to these. We only ask that you give us a fair price. Thank You in advance for your consideration in this matter. ALL proceeds will be given to Dave's wife Shirley.

Rene

Minutes of the Meeting of August 8th, 2008

The meeting started promptly at 7:00 pm, August 8, 2008, at the field pavilion with the Pledge of Allegiance led by our club President Rene Marquis. It was then turned over to the people from TNT Embroidery, who then notified the members about the change in the cost and design of the shirts and jackets, colors, and styles of your choice. Minutes of the July meeting were approved as published in the newsletter. There were 15 members and 3 guests present. The raffle prize was announced by the V.P. as a Super Tiger 61 2-stroke glow engine. Banquet to be held at Hoss's Steak House in South Greensburg, on route 119, November 8, 2008 at 7:30 P.M.

Remember all transmitters are required to have your name and telephone displayed on them as per Club and AMA rules. NO EXCEPTIONS

Rob Whelan gave a short talk on his Electric airplane, aptly called the Skeeter, about how it flew and the placement of the LED lights, and then after the meeting gave a demonstration of how the lights show up at dusk.

Attendance at the Meetings and Activities lately have been very disappointing, to put it mildly. Try to come out and support YOUR CLUB.

Float Fly Sept. 6th, 2008 at Acme Dam.

J&C Flea Market Oct 5th

Flea Market, October 19, 2008 in New Stanton at the Hunt Club. Reserve your tables early to receive your discount. Raffle prize was won by Bob Sanzi.

September meeting will be held at the church. The meeting was adjourned at 7:54 P.M.
